Which careers will my Recycled Fashion elective unlock?

Description:

You will put together visually appealing outfits (think clothes, accessories and props) that match the artistic vision set out for you, whether it's for a catwalk show, photo shoot, advertisement, TV show, movie, concert or music video.

You could work for many types of employers, including image production teams, large retailers, magazines and musicians

Steps to Success: As practical and creative skills are typically viewed as more important than academic qualifications by recruiters in this industry, you do not need a specific qualification. If you'd like to, however, you could gain expertise through a degree such as fashion communication and styling or fashion styling and production.

Salary Range:

Entry level positions start at £22,699 per year while most experienced workers make up to £37,054 per year.

Stylist

“Unlocking potential through expert knowledge and character.”

Which careers will my Recycled Fashion elective unlock?

Description:

One for a fashionista who wants to advise individuals on their personal style. You could work for a retailer, helping the general public, or you could work for the stars, helping celebrities look their best on and off the red carpet.

Steps to Success: You won't typically need a qualification to enter these careers, although there are relevant ones available (eg personal styling diplomas) that could help you to stand out to recruiters. Customer service skills are crucial for personal styling and shopping, so any work experience demonstrating these will be valuable.

Salary Range: Employed junior stylists can expect to earn in the region of £18,000 to £20,000. Senior stylists earn higher salaries of between £23,000 and £30,000.
