

Co-op Belle Vue Geography five year overview

Year 7 Long Term Plan

Topic 1		Topic 2	Topic 3	Topic 4
Topic: Our place in Manchester		Topic: What shapes our planet?	Topic: A watery world	Topic: Regional study - Asia
Key concepts		Key concepts	Key concepts	Key concepts
Concepts linked to this topic; <ul style="list-style-type: none"> <li>• Place, space, scale</li> <li>• Landscapes and processes</li> <li>• Interdependence</li> </ul>		Concepts linked to this topic; <ul style="list-style-type: none"> <li>• Place, space, scale</li> <li>• Landscapes and processes</li> <li>• Interdependence</li> <li>• Future risks and climate change</li> </ul>	Concepts linked to this topic; <ul style="list-style-type: none"> <li>• Place, space, scale</li> <li>• Landscapes and processes</li> <li>• Interdependence</li> <li>• Future risks and climate change</li> <li>• Sustainability</li> <li>• Inequality</li> </ul>	Concepts linked to this topic; <ul style="list-style-type: none"> <li>• Place, space, scale</li> <li>• Landscapes and processes</li> <li>• Interdependence</li> <li>• Future risks and climate change</li> <li>• Sustainability</li> <li>• Inequality</li> </ul>
Assessment: PK part A - multiple choice google forms quiz PK part B - written piece	Assessment: Test with mixture of question types based on all content covered so far	Assessment: PK part A - multiple choice google forms quiz PK part B - written piece	Assessment: Test with mixture of question types based on all content covered so far	Assessment: PK part A - multiple choice google forms quiz PK part B - written piece

Year 8 Long Term Plan					
Topic 1		Topic 2		Topic 3	Topic 4
Topic: Hot vs cold ecosystems		Topic: What are the issues our urban areas face?		Topic: Hazard or disaster?	Topic: Regional study - Middle East
Key concepts		Key concepts		Key concepts	Key concepts
Concepts linked to this topic; <ul style="list-style-type: none"> <li>● Place, space, scale</li> <li>● Landscapes and processes</li> <li>● Interdependence</li> <li>● Future risks and climate change</li> <li>● Sustainability</li> <li>● Inequality</li> </ul>		Concepts linked to this topic; <ul style="list-style-type: none"> <li>● Place, space, scale</li> <li>● Landscapes and processes</li> <li>● Interdependence</li> <li>● Future risks and climate change</li> <li>● Sustainability</li> <li>● Inequality</li> </ul>		Concepts linked to this topic; <ul style="list-style-type: none"> <li>● Place, space, scale</li> <li>● Landscapes and processes</li> <li>● Interdependence</li> <li>● Future risks and climate change</li> <li>● Sustainability</li> <li>● Inequality</li> </ul>	Concepts linked to this topic; <ul style="list-style-type: none"> <li>● Place, space, scale</li> <li>● Landscapes and processes</li> <li>● Interdependence</li> <li>● Future risks and climate change</li> <li>● Sustainability</li> <li>● Inequality</li> </ul>
Assessment: PK part A - multiple choice google forms quiz PK part B - written piece	Assessment: Test with mixture of question types based on all content covered so far	Assessment: PK part A - multiple choice google forms quiz PK part B - written piece		Assessment: Test with mixture of question types based on all content covered so far	Assessment: PK part A - multiple choice google forms quiz PK part B - written piece

Year 9 Long Term Plan					
Topic 1		Topic 2		Topic 3	Topic 4
Topic: How equal is our world?		Topic: Is water the most important resource on Earth?		Topic: Can the world have a sustainable future?	
Key concepts		Key concepts		Key concepts	
Concepts linked to this topic; <ul style="list-style-type: none"> <li>● Place, space, scale</li> <li>● Landscapes and processes</li> <li>● Interdependence</li> <li>● Future risks and climate change</li> <li>● Sustainability</li> <li>● Inequality</li> </ul>		Concepts linked to this topic; <ul style="list-style-type: none"> <li>● Place, space, scale</li> <li>● Landscapes and processes</li> <li>● Interdependence</li> <li>● Future risks and climate change</li> <li>● Sustainability</li> <li>● Inequality</li> </ul>		Concepts linked to this topic; <ul style="list-style-type: none"> <li>● Place, space, scale</li> <li>● Landscapes and processes</li> <li>● Interdependence</li> <li>● Future risks and climate change</li> <li>● Sustainability</li> <li>● Inequality</li> </ul>	
Assessment: PK part A - multiple choice google forms quiz PK part B - written piece	Assessment: PK part A - multiple choice google forms quiz PK part B - written piece	Assessment: PK part A - multiple choice google forms quiz PK part B - written piece	Assessment: PK part A - multiple choice google forms quiz PK part B - written piece	Assessment: PK part A - multiple choice google forms quiz PK part B - written piece	Trust Assessment

Co-op Belle Vue Geography five year overview  
AQA specification  
Year 10 Long Term Plan

Topic 1	Topic 2	Topic 3	Topic 4	Topic 5	Topic 6
The Changing Economic World	Urban issues and challenges	Urban fieldwork	Physical Landscapes in the UK: Rivers focus	Rural fieldwork	The living world: Tropical rainforest focus
Key concepts	Key concepts	Key concepts	Key concepts	Key concepts	Key concepts
Concepts linked to this topic; <ul style="list-style-type: none"> <li>● Place, space, scale</li> <li>● Interdependence</li> <li>● Inequality</li> <li>● Sustainability</li> </ul>	Concepts linked to this topic; <ul style="list-style-type: none"> <li>● Place, space, scale</li> <li>● Landscapes and processes</li> <li>● Future risks and climate change</li> <li>● Sustainability</li> <li>● Inequality</li> <li>● Interdependence</li> </ul>	Concepts linked to this topic; <ul style="list-style-type: none"> <li>● Place, space, scale</li> <li>● Landscapes and processes</li> <li>● Inequality</li> <li>● Interdependence</li> </ul>	Concepts linked to this topic; <ul style="list-style-type: none"> <li>● Place, space, scale</li> <li>● Landscapes and processes</li> <li>● Future risks and climate change</li> <li>● Sustainability</li> </ul>	Concepts linked to this topic; <ul style="list-style-type: none"> <li>● Place, space, scale</li> <li>● Landscapes and processes</li> <li>● Interdependence</li> </ul>	Concepts linked to this topic; <ul style="list-style-type: none"> <li>● Place, space, scale</li> <li>● Landscapes and processes</li> <li>● Future risks and climate change</li> <li>● Sustainability</li> <li>● Interdependence</li> </ul>
Assessment: 2 PKs including a range of question types and styles	Assessment: Mock exam week 12/1/26 Cumulative assessment of all content covered	Assessment: PK including a range of question types and styles	Assessment: 2 PKs including a range of question types and styles	Assessment: PK including a range of question types and styles	Assessment: Mock exam week 15/6/26 Cumulative assessment of all content covered

Year 11 Long Term Plan					
Topic 1	Topic 2	Topic 3	Topic 4	Topic 5	Topic 6
The living world: Hot desert focus	Physical Landscapes in the UK: Glaciers focus	The Challenge of Natural Hazards	The Challenge of resource management	Issue evaluation	
Key concepts	Key concepts	Key concepts	Key concepts	Key concepts	
Concepts linked to this topic; <ul style="list-style-type: none"> <li>• Place, space, scale</li> <li>• Landscapes and processes</li> <li>• Future risks and climate change</li> <li>• Sustainability</li> <li>• Interdependence</li> </ul>	Concepts linked to this topic; <ul style="list-style-type: none"> <li>• Place, space, scale</li> <li>• Landscapes and processes</li> <li>• Future risks and climate change</li> <li>• Sustainability</li> </ul>	Concepts linked to this topic; <ul style="list-style-type: none"> <li>• Place, space, scale</li> <li>• Landscapes and processes</li> <li>• Future risks and climate change</li> <li>• Inequality</li> <li>• Interdependence</li> </ul>	Concepts linked to this topic; <ul style="list-style-type: none"> <li>• Place, space, scale</li> <li>• Interdependence</li> <li>• Future risks and climate change</li> <li>• Sustainability</li> <li>• Inequality</li> </ul>	Concepts linked to this topic; <ul style="list-style-type: none"> <li>• Place, space, scale</li> <li>• Landscapes and processes</li> <li>• Interdependence</li> <li>• Future risks and climate change</li> <li>• Sustainability</li> <li>• Inequality</li> </ul>	
Assessment: 2 PKs including a range of question types and styles	Assessment: November mock exams to include full paper 1 & paper 2  PK with glaciation focus including a range of question types and styles	Assessment: 2 PKs including a range of question types and styles	Assessment: March mocks to include full paper 1, 2 and 3	Assessment: Additional Paper 3 practice using issue evaluation pre-release	Assessment: GCSE examinations
